## GOVERNMENT OF GOA

Department of Co-operation

Office of the Registrar of Co-operative Societies

### Circular

No. 41/4/2008/TS/RCS/5235

*Sub:-* Guidelines for OTS Scheme for Credit Societies, 2020.

On scrutiny of functioning of the PAC's/Multi-purpose/Urban Coop. Credit Societies in this State, it is observed that, due to mounting overdue of loan advanced by these Coop. Societies they are constrained to make provision towards principal and interest receivable from the members. This has resulted into mounting of N.P.A's of the said societies against which the appropriate provisioning needs to be done in the balance sheet to avoid further erosion of owned funds.

In view of this in order to speed up recovery and also to give relief to the affected borrowers, it is necessary that all the Credit Co-operative Societies (other than Banks) shall devise a One Time Settlement (OTS) Scheme for their borrowers. To facilitate proper drafting of the OTS Scheme the Government is pleased to lay down guidelines as enclosed which shall be the guiding principles within which each Credit Co-operatives shall frame their schemes and obtain approval from their respective Board and General body.

Society having any Government Share Capital Contribution or aid in any other form shall

compulsorily obtain prior permission of the Asstt. Registrar concerned before implementation of the OTS Scheme.

By order and in the name of the Governor of Goa.

Vikas S. N. Gaunekar, Registrar of Co-operative Societies.

Panaji, 10th February, 2020.

### Order

No. 37/128/2008/MAG/1483

Read: 1. Report No. DYSP/TRF/82/2020 dated 14-01-2020 from the Deputy Superintendent of Police, Traffic, South Goa, Margao.

Whereas, the Deputy Superintendent of Police, Traffic, South Goa, Margao vide letter dated 14-01-2020 has submitted that the Police Inspector, Traffic Cell, Vasco has reported that due to the ongoing construction works of the new Zuari Bridge, several Bottlenecks are being formed on the stretch of NH66 from Verna near Sharayu Toyota Showroom to Agassaim Bypass road. Besides narrow carriage way of the road, it is also due to the uneven surface of the road at various places such as near Santrant slope and Bony Deck below railway bridge, vehicular traffic moves at snail pace, forming long queues of vehicles, resulting in frequent traffic congestion along the National Highway;

And whereas, it is further submitted that the problem is further compounded as heavy vehicles including Trucks, Tankers, Trailers and centers contentiously converge from Borim side towards Thana-Cortalim road via Loutolim to proceed to IDC, Railway Station Verna, MPT Vasco and also from Vasco towards Borim from Cortalim Junction via Cortalim Ferry - Thana. Due to movement of these heavy vehicles which intersect Thana - Cortalim road, frequent traffic congestion is caused at the

Thana Cortalim junction which caters to continuous and heavy volume of vehicular traffic plying from Panaji to Margao and vice versa;

And whereas, to streamline vehicular movement along NH66 and prevent frequent traffic jam, it is also submitted that it is necessary to restrict the movement to heavy vehicles which are continuously using this route from Borim towards Cortalim junction and vice versa to proceed to their destinations like MPT, Vasco Zuari Industrial Estate, Verna Industrial Estate and also for heavy vehicles coming from Vasco side to proceed toward Borim from Cortalim Junction via Cortalim Ferry - Thana and therefore requested to notify the road leading from Borim to Loutolim Ferry-Cortalim junction and vice versa and also the road coming from Vasco side to proceed towards Borim from Cortalim junction via Cortalim ferry - Thana as "No Entry for all types of heavy vehicles" till the completion of the construction work of new Zuari Bridge;

And whereas, I am satisfied that "No Entry" for heavy vehicles from Borim to Thana Cortalim Junction and from Cortalim Junction - Cortalim Ferry - Thana to Borim is essential to reduce traffic congestion and during execution of the above work;

Therefore, I, Ajit Roy, IAS, District Magistrate, South Goa, Margao, in exercise of powers conferred under Sections 115, 116 and 117 of the Motor Vehicles Act, 1988 (Central Act 59 of 1988) read with Government Notification No. 5/28/88/TPT (part) dated 26th September, 1989 being satisfied that it is necessary in the interest of public safety and convenience do hereby notify temporary the road leading from Borim to Loutolim Ferry-Cortalim junction and vice versa and also the road coming from Vasco side to proceed towards Borim from Cortalim junction via Cortalim ferry - Thana as "No Entry for all types of heavy vehicles" till the completion of the construction work of new Zuari Bridge and to erect the signages accordingly to reduce traffic congestion as per annexed rough sketch of the route subject to compliance with the conditions mentioned below. The alternate route for these heavy vehicles is available via Verna - Arlem Bypass from where these vehicles can ply without any inconvenience.

### Conditions:

1. Proper signages of "Road Closed", "No Entry", "Take Diversion/Work in Progress" etc. shall be erected on both the sides of road, flash light for guidance of the motorists, pedestrians and other road users.
2. Necessary signboards shall be erected by the concerned roads division, PWD.

3. The applicant is directed to ensure that alternate road made available for diversion is left free for vehicular traffic without any obstruction.

Given under my hand and seal of this Office dated this 31st day of January, 2020.

Margao.— The District Magistrate, *Ajit Roy*, IAS.
